

Corrections to “Design of a Wideband Antenna With Stable Omnidirectional Radiation Pattern Using the Theory of Characteristic Modes”

Dingliang Wen, Yang Hao, Hanyang Wang, and Hai Zhou

In [1], there are some mistakes in the antenna dimensions in Fig. 1 on page 2672 and Fig. 11 on page 2674. These two figures should be corrected as follows:

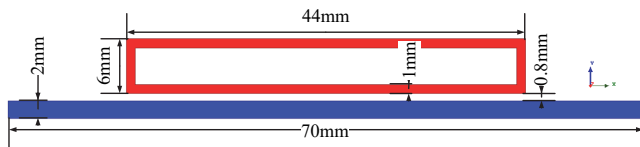

Fig. 1. Geometry of the proposed antenna.

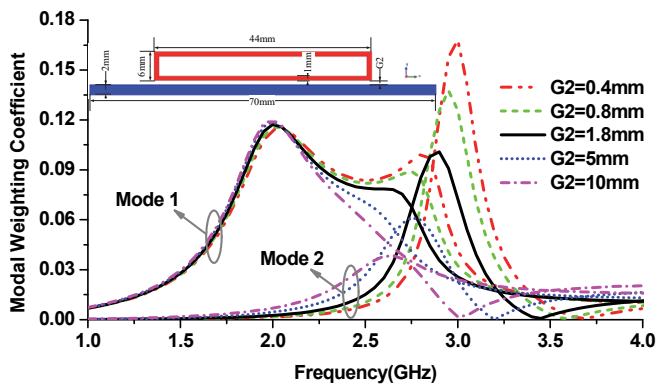

Fig. 11. Effects of G_2 on the antenna's modal weighting coefficient.
