In the paper[1], the following funding information should have been included in the Funding Information and Acknowledgement sections. The correct sections should be presented as follows:

Funding information
Arthritis Research UK, Grant/Award Number: 20413, 20581, 20039; Biotechnology and Biological Sciences Research Council, Grant/Award Number: BB/I014608/1

ACKNOWLEDGEMENT

This paper was supported by the following grant(s): Biotechnology and Biological Sciences Research Council BB/I014608/1, Arthritis Research UK 20413, 20581, 20039.

The authors confirm that there are no conflicts of interest and wishes to apologize for any misunderstanding or inconvenience caused.
